# New This Month

## StoryWalk®:

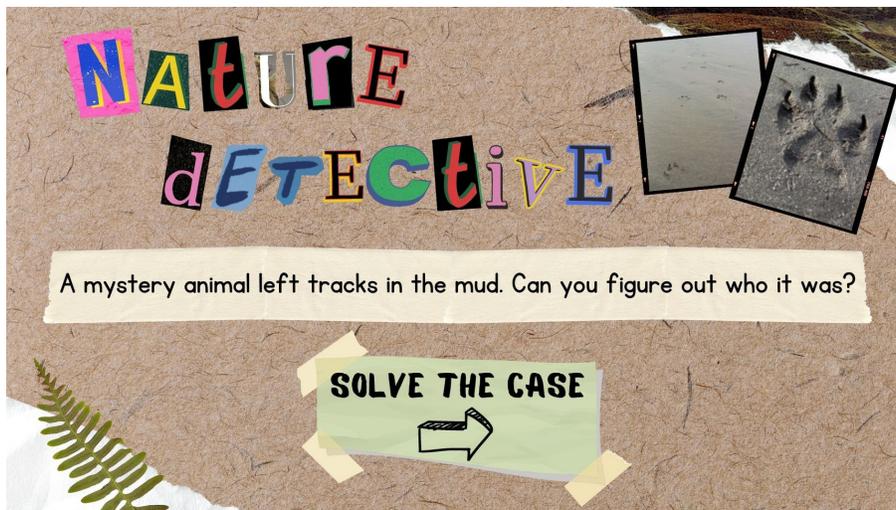

Walk along the Sugar Trail and read the book ***Where's Rodney?***

Rodney is that kid who just can't sit still. He's inside, but he wants to be outside. Outside is where Rodney always wants to be. Between school and home, there is a park. He knows all about that park. It's that triangle-shaped place with the yellow grass and two benches where grown-ups sit around all day. Besides, his momma said to stay away from that park. When Rodney finally gets a chance to go to a real park, with plenty of room to run and climb and shout, and to just be himself, he will never be the same.

"The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. Storywalk® is a registered service mark owned by Ms. Ferguson."

## Tracking Game in Museum

Visit the Museum and see if you can figure out which animal left tracks in the mud. Use the four clues to determine if it was a dog, bobcat, fox deer, or coyote. Gain additional tracking knowledge with other tracking activities in the Museum.

**Museum is OPEN Tuesday-Saturday 8am-4pm.**

Museum and StoryWalk are included with your \$5 per vehicle Day Use Fee.
